

Solarize Milton

A PROGRAM JOINTLY SPONSORED BY:

- The Town of Milton
- Sustainable Milton
- Milton Solarize Committee
- Local Volunteers
- SolarFlair Energy, competitively selected installer

Providing deep discounts on solar electric systems to help Milton residents save money, protect themselves from electric rate increases, and reduce their impact on the environment.

Benefits of Solar Ownership:

- 30% Federal Tax Credit
- \$1000 State Tax Credit
- Income from state incentive program
- Average payback 5–6 years

Or if you prefer not to own:

- \$0 money down lease agreement
- 20 year fixed electricity rate with a 0% annual escalator.

Benefits of town-sponsored Solarize program:

- Pricing 15–20% below MA average cost for solar
- Community driven, competitive installer vetting and selection process

Launch Date: 7 PM, Jan. 11, 2018
Keyes Rm, Milton Public Library
Program ends May 1, 2018
